Human Activity

Upon waiting for the arrival of the bus, there is a vast amount of passengers that engage themselves with their phones. Otherwise then, passenger just stay idle and does nothing. A few passengers entertain themselves by listening to music. Only a handful was observed talking to other passenger. On a rarest occasion, a passenger actually spend time reading.

Waiting Posture

The most common waiting posture is obviously sitting among all the waiting passengers. Quite a number remain standing until the arrival of bus. Some standing passenger were seen leaning against a pole or even signboard. A few desperate passengers squat to ease themselves from standing.
